COMMENTS ON RELATIONSHIPS

Many persons have difficulty determining relationships beyond the more simple ones, and some information here may well be in order.

A GRAND UNCLE is an uncle to one's father or mother, and a GREAT UNCLE is the same. GRAND OR GREAT AUNT, likewise.

A GRAND or GREAT NEPHEW, is a grandson of one's brother or sister.

A FIRST COUSIN is the child of one's uncle or aunt, and is sometimes called a FULL COUSIN or OWN COUSIN.

Children of first cousins are SECOND COUSINS to each other and children of second cousins are THIRD COUSINS to each other, etc.

The children of your first cousin are your FIRST COUSINS ONCE REMOVED, being of an earlier generation.

Persons descended the same number of steps or generations from a common ancestor are cousins to the degree indicated by the number of steps, this being ONE LESS than the number of steps. Thus children of the THIRD generation from the same ancestor are SECOND COUSINS. A person of the THIRD generation is a SECOND COUSIN ONCE REMOVED to a person of the FOURTH generation from the same ancestor.

A brief study of these comments, should enable you to determine your relationship to anyone else in the connection.

(*) Pg. 19 — The principle, Joseph B. Winebrenner, states his wife's name is actually Helen M. Hieker. Regina is his mother's name.

F O R E W A R D

The first objective in compiling this record, started in 1939, was to write a history to include those Winebrenners and connections who were descendents of Andrew Jackson Winebrenner (my own Grandfather), but the research, once begun, soon brought in a mass of information on brothers and sisters of his,and later some data on ancestors of his"away back", which latter is still incomplete.

Information has also been received in groups unable so far to trace their ancestors back to a point where connection to our line is definately shown, though very likely most of them are so connected.

Old Bibles, and family legends told by older members have had a large part in providing information of value.

A study of the Chart shown on folded page 7 will show that Philip, the brother of Christian (father of the two sets of children of ten each) had a son shown as Elder John Winebrenner. He was a first cousin to Andrew and his sisters and brothers, and was probably the most famous of the older Winebrenners,having founded in 1830 the Church of God, sometimes called the Winebrennerian Church, which organization still flourishes in many parts of the United States, particularly Pennsylvania,Ohio,Indiana and some others.

It is hoped that relatives and others reading this record will report any errors or omissions that future issues may be corrected, and perhaps include other children of this family.

Probably sometime between 1895 and 1900 a history of the Winebrenners was attempted by DANIEL WINEBRENNER of Indiana, the eleventh child of Andrew, assisted by his older brother HENRY of Battle Creek,Michigan, but the effort seemed to have ceased and practically all papers of same became lost, except one letter to Daniel dated May 7,1900 from D.C.Winebrenner of Fredrick,Maryland in answer to an inquiry.

This one old letter contained much information, and brief as it was, it has been the basis of our outline in many respects. It is hoped more papers of that investigation may be found, also other family records discovered and reported to help make this one more complete. A great deal of cooperation is needed in an effort of this kind.

A WINEBRENNER GENEALOGY

GENERAL INTRODUCTION

Religious persecution and political oppression tended to drive thousands of the natives of German Provinces along the Rhine to America, where in 1681 William Penn of England had acquired large land holdings, including the present State of Pennsylvania, and had invited the persecuted of every creed to come and worship God, each according to the dictates of his own conscience. The country was new and undeveloped, and liberal plans were made to encourage the obtaining of land in the new country.

At one time, "There were books and papers dispersed in the Palatinate, with the Queen's pictures on the books, and the title page in letters of gold, which on that account was called, 'The Golden Book', to encourage these Palatines to come to England, in order to be sent to the Carolinas or other of Her Majesty's Colonies to be settled there. "Journal of the House of Commons, England, XVI, pages 467,468.

The Winebrenners are said to have lived in the Palatine, which would mean the German part, or lower Palatine, east of the Rhine in Baden, it being a low fertile strip about 150 miles long, bounded on the East by Wurtemberg and Bavaria, on the South by Switzerland and the Lake of Constantine and on the West by the river Rhine across which was France. Manheim was the Chief city or town of Baden, well to the North end. The famous Black Forest fringed the Palatinate on the East.

Our ancestors,and others, in leaving the Palatinate, would be going down the Rhine in slow boats to Rotterdam in Holland of the Netherlands, a distance of about 500 miles, the trip taking about five or six weeks, there being some 25 Customs Houses to pass. By the time they reached Rotterdam many had used most of the money they had saved for the trip to America, not knowing there would be so much delay.

From Rotterdam they went to some English Port, in the case of our Ancestors to Cowes on the Isle of Wight in the English Channel, where more delay was suffered, partly because of still another Customs inspection, then a wait of a week or more for favorable winds, for theirs was a sailing vessel.

The trip across the Atlantic Ocean was one of hardship to most of them, and under the most favorable conditions took about seven weeks. The boats were crowded, drinking water was scarce and food poor, resulting in much sickness and suffering, added to which was the trouble of seasickness.

On arrival in Philadelphia, the immigrants were thoroughly examined by a doctor, and many were taken from every boat quite ill. Quite a few died on board or soon after arriving.

In 1727 the Province of Pennsylvania adopted a measure that Masters of vessels importing Germans and others from Europe, should be required to show that they had leave granted by the Court of

Great Britian to import these foreigners, and that a list be taken of all these people, also that a writing be drawn up for them to sign, declaring Allegiance and subjection to the Crown of Great Britian and fidelity to the Proprietary of the Province of Pennsylvania, etc.

The Masters or Captains of vessels were required to have all male passengers over 16 years of age, sign these lists, or make their mark, and on landing in amerion these Immigrants were required to "qualify". (the term applied to signing the Pledge of Allegiance referred to above)

This measure saved for the future, a record of upward of 30,000 immigrants from Germany and Switzerland who landed at Philadelphia from 1727 to 1776. These lists were published in "Pennsylvania-German Pioneers", a work by Ralph Beaver Strassburger, also by Israel Daniel Rupp in, "A Collection of 30,000 names of German, Swiss, Dutch, French and other immigrants in Pennsylvania from 1727 to 1776."

In these lists we find the names of only three Winebrenners as follows in the exact spelling as per the Rupp Collection:
ANTHON WEINBRENNER, and WOLFGANG WINEBRENNER, both on the ship Phoenix, Reuben Honor, Captain, from Rotterdam, last from Cowes, England, landing at Philadelphia, Pa. and qualified Nov. 22, 1752.

Also, JOHANN CHRISTIAN WEINBRENNER, on the ship Rowand, Arthur Tran, Captain, from Rotterdam, last from Cowes, England, landing at Phila. Pa. and qualified Sept. 29, 1753.

In Pennsylvania, German Pioneers, and the Pennsylvania Archives, the name appears under various spellings, but obviously means the same men, and no similar ones were found.

No records found indicate the ages of these three men, nor if married and with families. Their wives, and children under 16 might have been with them and not registered because of the rule of listing only males over 16.

As to Wolfgang, no trace nor record has been found of him except the record, shown above.

As to Anthon (Anthony) the only record found of that name after the ship record above, is in the 1st U.S.Census of 1790 where we find in Frederick County, Maryland: ANTHONY WINEBRENNER, family 1 male over 16. Apparently not married at the time and no children. Also in the Archives of Pennsylvania, series 5, Volume 3, p 62 record of Continental Line 5th Pennsylvania Regiment of foot Infantry in U.S. Service, in April 1780, it mentions ANTHONY WINEBONER, on Furlough. Also in the same book on page 92 it lists as a member of the same Company, ANTHONY WINEBORNER.

These men have been the progenitors of several groups we have contact with, that cannot trace their ancestory back to the immigrant.

As to the third one, JOHANN CHRISTIAN WINEBRENNER, we have knowledge and much detailed information on many of his descendants, though but very little as yet of him personally.(see sketch of Johann Christian Winebrenner, also many pages of his descendants.

In and about Hanover, York County Pa. are many Winebrenners, tracing their line back to JOHANN PETER WINEBRENNER (or Weinbrenner) born in Germany, December 28, 1738, and who died at Hanover, Pa. December 19, 1789, aged 51 years and buried there. One report or Pedigree on this group indicates their forefather was JOHN GEORGE WINEBRENNER, born in Germany May 31, 1742 and who died at Hanover, Pa. November 17, 1780 aged 38 years.

Both of these men would have been under 16 years of age in 1752 or 1753 and so might have entered the Unite States at the same time as the three listed on the Ship's Records, and may have been related as brothers or sons. It is hoped wemay sometime determine the true facts in the case.

ADDENDUM

November 16, 1948

Within the past year, we have found at York County, Pennsylvania, Court House, evidence that indicates JOHANN CHRISTIAN WINEBRENNER, when he arrived in America, was accompanied by his widowed mother, Catherina, also brothers; JOHANN PETER, then just past 12, JOHN GEORGE, then about 11, and a sister KATRINA, then just past 8 years old. It has also been found in York County Pa. records that, JOHANN CHRISTIAN WINEBRENNER married August 30, 1768, CHRISTIANA BYARD a widow.

SKETCH OF CATHERINE WINEBRENNER OF GERMANY

CATHERINE WINEBRENNER was born likely about 1715 in Germany. Probably in the Palatinate on the River Rhine, and died about Sept. 1755 aged about 40 years, at or near Hanover, Dover,Twp. York County Pa. No record of her death nor place of burial has been found. The approximate date of her death is determined from York County Will Book A, page 119 where on September 20, 1755 her son Christian was appointed Administrator for the Estate of his mother deceased. In Adm. of Accts. Record, March 26, 1761 "Est of Katrina Wybrener (says-mistakenly called Christiana Wynbrener) showed balance £33.3.

Her husband had presumably died in Germany, and his name may have been John (Johann), for each of the three sons had the name JOHANN preceding his other name, a custon in Germany. Each dropped the name Johann after arrival in America.

She probably came to America on the ship Rowand, Arthur Tran, Capt. from Rotterdam, last from Cowes, England, landing at the American Port of Philadelphia, September 29, 1753 with her four children, Johann Christian being the only one of them registered on the ship.

Apparently she at once or soon, went to Hanover Pa. with her children, settled there and aquired some property, though only a small parcel in all probability. Evidence of this was found in York County Orphans Court Records, where after her death, son Christian asks for appraisal of a property, but it was decided too small to admit of division.

Her given name is severally shown as; Catherine, Katrinaand and Catherina. Her last name as Weinbrenner, Weybroner, Wybroner, Wyandbrenner, and Wynbroner.

Her children, four of record;

1. JOHANN CHRISTIAN, born about 1735 and died in 1815 aged 80 years. Lived in York County, Pa. for about 20 years, then Hagerstown Md.Married Mrs. Christiana Wyand. Their children,seven. John Jacob of Md.(5 ch.); Philip of Md.(5ch.); Christian of Pa. (10 & 10 ch.); Catherine (Snyder)of Md.(6 ch.); John Peter of Md.(1 ch.); Sebastian of Md.(3 ch.) and Christiana (Barnhiser) (? ch)
   1. JOHANN CHRISTIAN married 2nd Ann Maria _____ Their children, two; Johannes of Md.no record and Amelia (Maxwell) of Md. & Ohio no Record.
2. JOHANN PETER, born in 1738 and died in 1789 aged 31 years. Lived at Hanover,Pa. Married Anna Barbara _____ Their children, One; Anna Justina Barbara (Glepsatle) of York County. Their children, Unknown.
3. JOHN GEORGE, born in 1743 and died in 1780 aged 38 years.Lived at Hanover,Pa. Married Catherine Burchert. Their children,Six; John George died in infancy; Peter of Hanover, 9 children; Henry, no children of record; Catherine (Ritz) no children of record; George of Hanover, had 2 & 9 & 1 children; John Adam died at 5½ years.
4. KATRINA, born in 1745 and died about 1834 aged 89 years.Married Jacob Gibler. Their children, eight, all of Somerset, Pa. Elizabeth Zimmerman,9 children; John; Christian; Peter; Henry; Freronica (Pitner) George; and Nicholas.

SKETCH OF
JOHANN CHRISTIAN WINEBRENNER

JOHANN CHRISTIAN WINEBRENNER, was likely born in about 1736 in Germany, in the Palatinates on the Rhine River. He died late in November 1815, aged about 79 years, at Hagerstown Maryland and is believed to be buried there, Though no record of his death nor headstone has been found. On file in the Court House there is found his will dated November 17, 1815 and probated early in 1816. Also is found record of the sale of his effects,including chattels, as being on Dec. 7, 1815 by which we can determine the approximate date of his death.

He was the eldest child of Catherine Winebrenner, who accompanied him and the three other children to America. After making the trip down the Rhine and arriving at Rotterdam in Holland, he there boarded a vessel for America. It was the ship Rowand, Arthur Tran, Captain,of Rotterdam, and touched at Cowes England, on the Isle of Wight, before starting across the ocean for America. He landed at the port of Philadelphia Pa on Sept 29, 1735, on which date he "qualified"(signed pledge of allegiance to the crown) He at once or very soon, went to York County Pa. and settled at or near Hanover in Dover Twp. where he aquired a farm of 162 acres. Date of such purchase is not known to us,but we find in the records there, land book E,page 26, dated Jan 14, 1772, record of it's sale by him.

He married, August 30, 1868, in York Co. Pa. (Record in Orphans Court Docket A, page 101) CHRISTINA, widow of Jacob Wyand, a yoeman of Dover Twp. On the Deed covering the sale of the farm in 1772, his wife Christina had also signed.

Sometime after Jan. 14, 1772, they left York County, Pa. for Maryland, settling at Hagerstown in Washington Co. In the records there we find quite a number of property transfers to and from him, the earliest being in 1784 when he purchased some property. We note that in 1788 he bought a property of Jonathan Hager. In 1806 he sold a house and lot in Funkstown (in south edge of Hagerstown) the papers being signed also by his wife Anna Mary, which leads us to believe his wife Christina had died and he had re-married. His will mentions wife Anna Maria. Shortly before his death he sold a lot "with improvements" at the south eastern corner of Franklin & Jonathan Streets Hagerstown, for $1127. This is believed to be the same two story brick building still there (1947) on the first floor of which is a drug store.

Children of Johan Christian & Christina, seven;

1. JOHN JACOB, born in 1758 (Rev Lischy record) York Co. Pa. and he died prior to Nov. 17, 1815, date of father's will.
He married and had five children; Mary (Bear); John; Sally; Peter; Joseph; All believed of Hagerstown.

2. PHILIP, born in 1759 in York Co. Pa. Died in 1841 aged 82 years in Frederick Co. Md. Married Eve C. Barrick. Children, five; Catherine (Riner); Jacob of Ohio; Mary (Cramer) of Frederick; Rev. John of Church of God fame and Christian of Frederick, Md.
3. CHRISTIAN, born about 1764, York Co. Pa. Died in 1832 aged 88 yrs. in Blair Co. Pa. Married Mary Adams of Bedford Co.Pa. Children 7; (legend says 10) Rev. Christian Jr. of Blair Co; Catherine (Mohn) of Indiana; Peter of Pa.; Jacob of Blair Co. & Ohio; Esther (Harlenbaugh) of Blair Co. Pa.; David of Ind. and Mary (Hay).

3. CHRISTIAN Married second in Pa. Abigail Chrisman. Children, ten; Elizabeth (Nicodemus) of Blair Co. & Indiana; John of Indiana; Sarah Jane (Sheffler) of Indiana; Andrew Jackson, of Indiana; Daniel of Indiana; Joseph of Indiana; William of Indiana; Polly (Burwell) of Indiana; Margaret (Ritts) of Indiana and Nancy (Newmnn) possibly of Indiana.
4. CATHERINE, born in 1766 in York Co. Pa. and died prior to 1815 date of her father's will in Maryland. Married John Snyder and lived at Hagerstown. Their children, six; Elizabeth; Andrew; Sally; Simon; John; and Mary, all of Hagerstown, Md.
5. JOHANN PETER, born in 1768 in York Co. Pa. Date of death unknown. Is thought to have lived in Illinois, and to have married Mary Snyder in Frederick Co. Md. Children, none of record.
6. SEBASTIAN, born about 1769 probably in York Co. Pa. and died prior to 1815, date of his father's will. Married and had three children; David S. well to do man of Phila; Mary (Burush) of Ohio; and Christian of Miamisburg, Ohio.
7. CHRISTIANA, born on date not known. Date of death not known. Married Matthias Barnhiser, likely of Hagerstown, Md. Children, none of record.

NOTE-Unconfirmed reports say there were ten children of the above marriage, but record of only seven has been found.

JOHANN CHRISTIAN WINEBRENNER married second, sometime between 1784 and 1786, ANN MARIA _____ at Hagerstown, Md. There in the records of Zion Reformed Church we find what appears to be record of birth of two children of Johann Christian Winebrenner and his wife Ann Marie, Thus;

Their children, two;

1. JOHANNES WINEBRENNER, born Aug 13, 1787
2. AMELIA WINEBRENNER, born Sep. 22, 1814. (May have married, on July 25, 1833, Geo. M.C. Maxwell).

At Hagerstown, there is on file in the Court House, the will of Ann Maria Winebrenner, dated July 10, 1817, and probated Jan. 5, 1822, in which she gave all property to "my daughter Margaret, the wife of John Miller or to her heirs, and hereby appoint John Miller, my son-in-law, as Executor". No details of property.

From the record of marriages in Montgomery County, Ohio, we find that on July 25, 1833, Amelia Winebrenner, married George M.C. Maxwell. This could have been the Amelia above, born in 1814.

The Margaret in will of Ann Maria, who married John Miller, might have been a daughter of her previous marriage.

SKETCH OF
JOHN WINEBRENNER
Founder of the Church of God

- - - - - - - - -

JOHN WINEBRENNER was born March 23, 1797 in Glades Valley, Woodsboro District, Frederick County Maryland, the son of Philip and Eve C. (Barrick) Winebrenner. He died September 12, 1860 aged 60 years, at his residence 262 North Street, Harrisburg Pa. He is buried in the Harrisburg Cemetery in the Necropolis north of the corner of State and 13th Streets. A large monument was erected at his grave on September 23, 1863 with the contributions of Churches of God and Friends. A new monument was installed and dedicated May 17, 1913.

He inherited from his mother a strain of Scotch blood, and in temper as well as appearance he was rather more Scotch than German. Details of his Church and religious activities are a matter of record in Histories of the Church of God, and Encyclopedias as well as many books on church work. However we will here give briefly something on the subject.

He was brought up by his parents in the German Reformed Church, and he contemplated the Ministry when still a young man. He attended the Academy at Frederick Maryland, entered Dickinson College at Carlisle Pa. and studied Theology at Philadelphia under Samuel Helfenstein. He entered the German Reformed Ministry in 1820, being ordained September 24th of that year at Hagerstown. He became pastor of a congregation at Harrisburg, where within a year or two his activities as a revivalist were disapproved by some ministers and others in his Synod. In 1825 he published A "Revival Hymn Book", and soon thereafter withdrew from his connection with the German Reformed Church, but not from religious work.

His converts he organized into free Churches, and in October 1830 they organized the Church of God at Harrisburg, which movement, through missionary effort, in which John Winebrenner himself took an active part, expanded into other states as Ohio, Maryland, Indiana, Michigan, Illinois, Oklahoma, Iowa, Missouri, Kansas, Nebraska, Texas, Arkansas, Oregon, Washington, Maine and West Virginia, reaching its height at about the time of the death of John Winebrenner in 1860, when the denomination had about 500 Ministers or Elders and more than 50,000 members, chiefly of German descent. From the Church paper we learn that for the year ending April 30, 1843, the Church of God was then composed of fifteen Elderships in fourteen states, having 402 organized Churches, owning 378 Bethels (church buildings), with 244 active ordained Ministers and 44 retired, and a Church membership of 33,454. Those interested should read "History of Churches of God", by C.H. Forney, obtainable from the Central Publishing House, Harrisburg, Pa.

John Winebrenner preferred to be called "ELDER", rather Than Reverend or Bishop, also disliked having members of the Church of God referred to as "Winebrennerians", though in many places even yet they are so called.

It seems that John Winebrenner was the first to use the designation "Church of God", though since then quite a number of other groups have used it, therefore all Churches of God seen are not of the John Winebrenner branch.

Many times during his religious activities, John Winebrenner had financial difficulties, and had to engage in various commercial

enterprizes to help out. One was theinvention of a harrow or Clod Cutter as he called it, which he displayed and demonstrated at the Pennsylvania State Agricultural Society Exhibition at Harrisburg in 1856, when he won a bronze medal. This medal come into the possession of his daughter Emma (Christman), and while she was living at Walkersville at the old home place in her reclining years, she gave it to her cousin David C. Winebrenner 3rd of Frederick, who was also her attorney. He prized it highly, and after his untimely death in March 1940 his mother Mrs. Eleanor Ritchie Winebrenner of Frederick kept it for a time, but hoped to have it placed in the Museum at Harrisburg, being considered for mementoes of John Winebrenner. For this purpose she gave the medal to the writer A.G. Gibbony on his visit to her home in August 1941, and he in turn transferred it with proper record and explanation, to Mrs. Maude Cassel Zeiders of Franklin Pa. a grand daughter, and she in turn placed it in the Harrisburg Museum in Sept. of 1941.

The Church of God issues a weekly paper, The Church Advocate, printed in Harrisburg Pa. at their own Central Publishing House, and they have a Church College at Findlay Ohio, established in 1882 and thriving today. Some years ago they had many schools in various parts of the country. (See Forney's History)

JOHN WINEBRENNER married, on October 10, 1822, CHARLOTTE M. REUTTER of Harrisburg Pa. who died May 20, 1834 after an illness of seven months of tuberculosis, and was buried in the old Lutheran Graveyard in Harrisburg, then raised about 1856 and re-interred in the Mt. Kalmia Cemetery in the Winebrenner lot. (Same as Harrisburg Cem. at 13th and Liberty Sts.) Information in the hands of her grandson Frank Calder of Hyattsville, Md. states that her grave is marked with a headstone bearing the name of her child Harriet.

There were six children of this marriage, four dying in infancy, according to a statement in the Forney History. We seem to have definite information on but two of these four, one being Louisa and the other Harriet. A letter he wrote to his wife in 1841 mentions children Hannah and Andrew who may have been these two.

The known children of this marriage are as follows;

SKETCH OF
CHRISTIAN WINEBRENNER

* * * * * * * * * * * * * * *

CHRISTIAN WINEBRENNER, 3rd child of Johann Christian and Christiana Wyand Winebrenner, was born about 1764 in York Co. Pa. (birth record not found there, although record of his brothers and sisters is).

He died Dec. 20, 1832 aged about 68 years, at his farm home near Martinsburg in Morrision's Cove, Blarir County (then Bedford) Pa. and likely buried there, but headstone and record not found. Date of his birth calculated from that of near brothers and sister, and date of birth of his first child. Date of his death learned from letter of Jan. 8, 1833 by Rev. John Winebrenner, his nephew, to Philip his father saying Christian had died Dec. 20, 1832 "at his home in Morrison's Cove, Blari Co. Pa".

About 1780 when he was a young man, he likely moved with his father and family from York Co. Pa. to Hagerstown Md. They may have lived a short while in Franklin Co. Pa. near Mercersburg, but soon went to Blair Co. (then Bedford) and settled near Martinsburg. He owned farm land there, and a Deed on file at Bedford Pa. shows that on June 3rd 1809, he conveyed, for 5 shillings, "ground situated some little distance of Christian Winebrenner's Spring, on West side of, and laid out for purpose of erecting an house of Public Worship etc.". It was deeded to Wardens of a Church "Commonly called The Congregation at Christian Winebrenners". It says this was part of "Warranted to John Adams (his father-in-law) in 1802 by the Commonwealth of Pa." and had been bequeathed by him to his daughter Mary wife of Christian Winebrenner. Further, the Archives of Pa. Series 3, Vol. 25, page 667, shows Warrentees of Land in County of Bedford and that Christian Winebrenner owned 174 acres, date of survey being Aug. 24, 1826. His Will is on file at Bedford Pa.

He Married, probably in Bedford County about 1788, MARY ADAMS, date of birth not known, the daughter of John Adams of Bedford Co. She died very likely, late in 1809 probably near Martinsburg and buried some where near there. Headstone and record not found.

CHRISTIAN WINEBRENNER married second, about 1809, in Bedford Co. Pa. ABIGAIL CHRISMAN, born in 1788 in Germany, and came to America when 16 years of age, thus about 1804. She died Aug. 16, 1864 aged 76 years in Noble Co. Indiana and buried in Sanford cemetery near Morrison, Noble Co. She may have moved to Indiana in August 1846 when a number of her children did, her husband having died in 1832.

NOTE: There is some doubt about the last two above, as they are not mentioned in the Will among the "eight youngest children". Family legend says there were ten children of each of Christian's two marriages. Also Elder (or Rev.) John Winebrenner in his journal, recorded that Oct. 21, 1832 he "stayed all night at Uncle Christian Winebrenner's a few miles in the country (from Martinsburg)". Said also "He has twenty children".

CATHERINE WINEBRENNER
MOHN

CATHERINE WINEBRENNER, second child of Christian Winebrenner and his first wife Mary Adams Winebrenner, was born May 1, 1794 in Blair County (then Bedford) Pa. and died Dec. 7, 1856 aged 62 years, 7 months and no days, in Noble County Indiana, and buried in Sanford cemetery near Kerriam, Noble County Ind. Her grave is marked by a headstone.

Married, probably in Blair Co. DANIEL MOHN, who was born Nov. 9, 1788, likely in Blair County Pa. and died Nov. 25, 1856 aged 68 years, 11 months and 16 days in Noble County Indiana. Buried beside his wife and his grave also is marked by a headstone.

We do not yet know when they moved from Blair Co. Pa. to Indiana, but believe it might have been in Aug. 1846 when quite a group of Winebrenners and Hoovers made such a move. Further search for descendants of this couple is being conducted.

Their children, three; (a conjecture)

1. WILLIAM MOHN, born in 1856 and died in 1924 aged 68 years.
   No knowledge of marriage and children.
2. JEFFERSON MOHN.
3. JACOB MOHN.

SKETCH OF
JACOB WINEBRENNER
of Blair Co. Pa., & Montgomery Co. Ohio
- - - - - - - - - -

JACOB WINEBRENNER was born about 1797 in Pennsylvania (or possibly Maryland), and grew up in Blair County Pa. The writer believes that Jacob was a son of Christian Winebrenner's first marriage, and one of those ten children reported by many of the descendants. This belief seems to be given support by the Will of Christian Winebrenner of Blair County (a copy of which the writer has), in which Jacob is listed as the second child of the first marriage. The Will lists four sons and three daughters, which may have been all that were living at the time the Will was drawn (1833).

Another fact pointing toward this relationship is the reported statements of Older Winebrenners in Noble County Indiana, of Henry Winebrenner descendants and the others, that they WERE related.

Jacob probably died at the village of Liberty, near Dayton Ohio, where he lived for some years, but no information as to the date of his death or place of his burial has been found.

He married CATHERINE ALABAUGH, and on July 4, 1817 while living in Blair County Pa. HENRY their first and only child was born, and eight days later the mother Catherine died. The baby was taken by grandparents.

Jacob was a shoemaker and shortly after the death of his wife Catherine he went to Ohio, locating at the village of Liberty in Montgomery County, near what is now Dayton.

The marriage records of Montgomery County show that on Sept. 24, 1818 Jacob Winebrenner married ELIZABETH SHIVELY, and the History of Noble county Indiana tells the same, then adds that there were five children of this marriage, but we have been unable to find anything definite about any of these children. However we suspect that an ISAAC WINEBRENNER who was born March 26, 1821 was one of these five. He apparently lived near Dayton, and Records of Darke County Ohio show that he married in that County Dec. 17, 1843 to SARAH CLEAR, and later moved to Wabash County Indiana. Still later to Whitley County Ind. and died near Churubusco. A fairly good record of this group, the descendants of ISAAC has been assembled.

At Liberty Ohio, JACOB WINEBRENNER kept a Tavern, and being a veteran of the War of 1812, and of a Military turn of mind, raised a Company of Militia (we presume Home of State Guards), with him as First Lieutenant.

Soon after Jacob's marriage to Elizabeth Shively, his little son Henry by his first marriage came from Pennsylvania to live with them.

The Records of Montgomery County Ohio show that a NANCY WINEBRENNER married SOLOMON BROWN, in 1848, also that ELIZABETH

WINEBRENNER married JONATHAN METHERD in 1850, and we believe those may have been daughters of this Jacob Winebrenner.

DAVID WINEBRENNER was born June 29, 1803 in Blair County Pa. a son of Christian Winebrenner and his first wife. It is reported he was one of ten children, however in the will of his father Christian (see page 11), he is shown as the fourth child of the seven mentioned. The others may have deceased at at the time (1833).

He died Dec. 26, 1858 aged 55 years, in Noble county Indiana, and is buried in Sanford Cemetery near Merriam, Noble county Indiana.

He married on June 24, 1826, in Montgomery county Ohio, (shown in county Records) to BARBARA BECKER, who was born June 5, 1806 and died March 25, 1877 aged 71 years, in Noble county Indiana, and is buried in the Christian Chapel Cemetery, at Merriam Indiana.

Family records show that four of their eight children were born at Liberty, near what is now Dayton Ohio. A History of Noble county Indiana states that David Winebrenner came into Noble Township sometime prior to 1836 at which time Noble County was organized, and we find that their fifth child was born August 22, 1837 in Noble County. David's principal occupation was that of farmer.

The eight children of David and Barbara are as follows:
1. PETER, born in 1826 and died in 1904. He was a Minister and Farmer in Noble County Indiana. His children were: 3 of his first marriage, to Mary Kitt, and three of his second marriage to Sarah J. Weade.

A Genealogy of the descendants of David Winebrenner has been completed.

When the estate of David's father Christian was settled in 1874, the son Peter went to Bedford County Pa. and represented the heirs in Indiana. David's widow Barbara received $200, and $90 each was paid to Peter, Jacob, David S., Elizabeth (Scarlott), Eliza (Weade) and Amanda (Edsall).

PETER WINEBRENNER, first child of David and Barbara Becker Winebrenner, was born Oct. 6, 1826, at Liberty, near Dayton in Montgomery County Ohio, and died Oct. 14, 1904 aged 78 years at Warren, Huntington county Indiana. He is buried in Christian Chapel Cemetery at Merriam, Noble county Indiana.

He moved to Noble county with his parents in 1836 or 1837. He received but a common school education but had special tuterage from David Sanford and Jonathan Elliott. He taught public school for many years, then in 1857 entered the ministry, serving in the New Light Christian Church about Northern Indiana. SKETCH OF
ANDREW JACKSON WINEBRENNER

The subject of this Sketch was born August 18, 1818 near Martinsburg in Morrisons Cove, Blair County Pennsylvania and died April 6, 1888, aged 69 years 7 months and 18 days, in Huntington County Indiana on the farm of his brother Daniel. He is buried in the nearby cemetery at Lancaster, Huntington County, Indiana where a headstone marks his resting place.

He was the son of Christian Winebrenner, and his second wife, Abigail Chrisman. See Sketch of Christian Winebrenner.

In Blair County, Pennsylvania, Andrew married Anna Hoover, who was born there May 20, 1819. (Two of his brothers, John and Daniel, married sisters of Anna Hoover.) She died February 22, 1862, aged 42 years, 9 months and 2 days, just 11 days after the birth of their fourteenth child Isaac, who also died five months later. She died in Noble County, Indiana on their farm a mile north of Merriam, and was buried in nearby Sanford Cemetery, almost across the road from their farm home. A headstone marks the place.

On June 5, 1862 Andrew married Mrs. Mary Ann Hill, a widow with two sons, Will and Beecher.

On August 11, 1846, when Andrew was about 28 years of age, he left Blair County, Pennsylvania by covered wagon for Indiana, with his wife Anna and six children, one having died several years before in infancy. With him on this trip were his brothers, John and Daniel, with their families, also his sisters, Elizabeth Nicodemus and Sarah Jane Sheffler, and their families. They endured many hardships and some sickness on the trip.

Upon reaching Indiana, he first settled in Wayne County. (Some say Henry County.) Then in May of the next year, 1847, moved north to Noble County where he located near Merriam. It was here he lived and farmed for many years, and where were born the other seven children by his first wife, Anna Hoover. On June 24, 1847 he bought this piece of land, being 80 acres in Township 33, Section 18, for which he pid the sum of $250, or $31.25 per acre. Subsequently he acquired other property in Noble County and the town or village of Ligonier.

In 1863, about a year after his second marriage, he disposed of his farm home and moved to Ligonier, where he bought an interest in a Drug business with a partner named Fisher. Being a farmer and not so familiar with business, he lost everything, we are told.

It seems he left Ligonier about 1870 for the West, taking with him his wife, Mary Hill, and her two children as well as Agnes, his own youngest living child, then about 12 years old, and also Minnie, a daughter of his second marriage who was then about six or seven. Some report that he went first to Kansas, then later moved to Barton County, Missouri, settling near Lamar, the county seat. We believe he remained there and farmed until about 1882 or 1883 when he returned East with his wife Mary and daughter Minnie, then about 18 or 20.

While they lived in Missouri, the daughter Agnes had met and married John T. Gibbony of Ohio on March 21, 1875, and after several years they had moved to his home in Ohio (April 1880).

On leaving Missouri for the East, Andrew and wife and daughter first visited his daughter, Agnes Gibbony, near Carroll, Fairfield County, Ohio for amonth or so, then went to Huntington County, Indiana to live on the farm of his brother Daniel, and it was here that he died in 1888.

The daughter Minnie married Adolphus Welch of Huntington County, Indiana and together with her mother they lived in the old community until about 1895 when Welch was accidently killed, after which Minnie and her mother left that part of the country, some say to Blair County, Pennsylvania and that both died there.

By his marriage to Anna Hoover, Andrew had fourteen children, two of whom died in infancy. Of the other twelve, eleven of them married and had families. The total number of descendants of Andrew and Anna was about 490, of whom about 406 areliving today. Of this number only about twelve male Winebrenners are living.

There is a complete Genealogy of the fourteen children of Andrew and Anna but it is not included in this record (May 1961).

We do not know what descendants, if any, there were of Minnie Welch, the daughter of Andrew and his second wife, Mary Ann Hill.

It is hoped that as descendants and others read this record, and may observe errors or omissions, they will take proper steps with the writer to have corrections made, that subsequent issues may be more clearly right.

COMMENTS ON THE HOOVER FAMILY

As three Hoover sisters, SARAH, ANNA and ELIZABETH, married three Winebrenner brothers, John, Andrew and Daniel, something about the Hoover family will be of interest to many of the readers of this record.

These sisters were of the ten children of David Hoover and Mary Shultz Hoover of Blair County, Pennsylvania. David was born November 7, 1790 in Blair County (had a twin brother, George) and died Sept. 7, 1873, aged 82, in Huntington County, Indiana. He is buried in Lancaster Cemetery there. Mary Shultz Hoover was born in 1790 and died in 1850, aged 60, at Hagerstown, Wayne County, Indiana and is buried there. She was the daughter of Henry and Salomea Shultz.

It seems that the Hoover family must have moved to Indiana at or about the same time the Winebrenner group did, which was in August 1846, and some of them remained in Wayne County, but most of them moved to Huntington County and we find many of them are buried there. There is a Hoover Cemetery in Huntington County.

The children of David Hoover and Mary Shultz Hoover were: HENRY, born 1813 Blair County, Pennsylvania; died 1870 in Indiana. Married Eliza C. Giboney born 1810, died 1880. Lancaster Cemetery. 2. AMANDA, married Fred Brumbaugh. Both buried in Hoover Cemetery.
3. ANNA, married William Brumbaugh. Both buried in Hoover Cemetery.
4. ANDERSON, married Baron Fitzsimmons. Both buried in Arkansas.

JOHN S. born 1816, died 1889 in Indiana. Buried in Lancaster Cemetery. Married Nancy Bare, born 1820, died 1883. Buried in Lancaster Cemetery.

SKETCH OF DANIEL WINEBRENNER

He was born July 15, 1820 in Blair County, Pennsylvania, the son of Christian Winebrenner and his second wife, Abigail Chrisman Winebrenner. He died November 4, 1893, aged 73, at his home in Huntington County, Indiana.

He was married in Blair County, Pennsylvania to ELIZABETH HOOVER, who was born July 17, 1823 in Blair County (two brothers of Daniel, viz: Andrew and John, married sisters of Elizabeth). She died May 12, 1887, aged 63. Both buried in Lancaster Cemetery.

On August 11, 1846, with his wife and two children, together with his brothers Andrew and John, with their families (and possibly others) he left Blair County by covered wagon for Indiana. They may have traveled largely by the newly built National Highway, then called the Cumberland Road. We do not know how long it took for the trip, nor what hardships they may have endured, but they finally located in Wayne County, Indiana, through which the Highway runs.

The following spring, the others left Wayne County and went north in Indiana, but Daniel stayed there until June of 1849, when he moved north several counties, settling in Huntington County on a farm six miles south of Huntington, and not far from Lancaster.

It was in or near this vicinity he spent the next forty or more years, during which time nine more children were born, and it was in this community he became a successful business man and farmer, owning at one time several hundred acres of land, finding time also to operate a grain threshing machine he owned for some 25 or 30 years. In addition to this, he owned and operated a blacksmith and wagon shop.

In 1864 he sold the main or original farm, and bought 160 acres about a mile west of the Lancaster road, where he lived until shortly before his death when he sold it to his son George, and it is now owned by George's son Tim of Huntington.

Daniel and Elizabeth were the parents of eleven children, three of whom died in childhood. A complete genealogy of all their descendants will be found in this History. They had a total of about 212 descendants and at this date there are about 180 of them still living, though only 12 Winebrenner men to carry on the name.

Daniel and Elizabeth were active members of the Church of the Brethren, or Dunkards until their deaths.

After the death of Elizabeth, Daniel married on August 9, 1888, Mrs. Lucinda Fist, who was born April 27, 1843 in Blair County, Pennsylvania. She made a pleasant home for him until his death about five years later. Some time after his second

marriage he bought a home in Huntington, andlived there for a time, but his health failing somewhat, he became homesick for his old neighbors and friends, so he started to build a home near his old place, but never completed it due to his final illness.

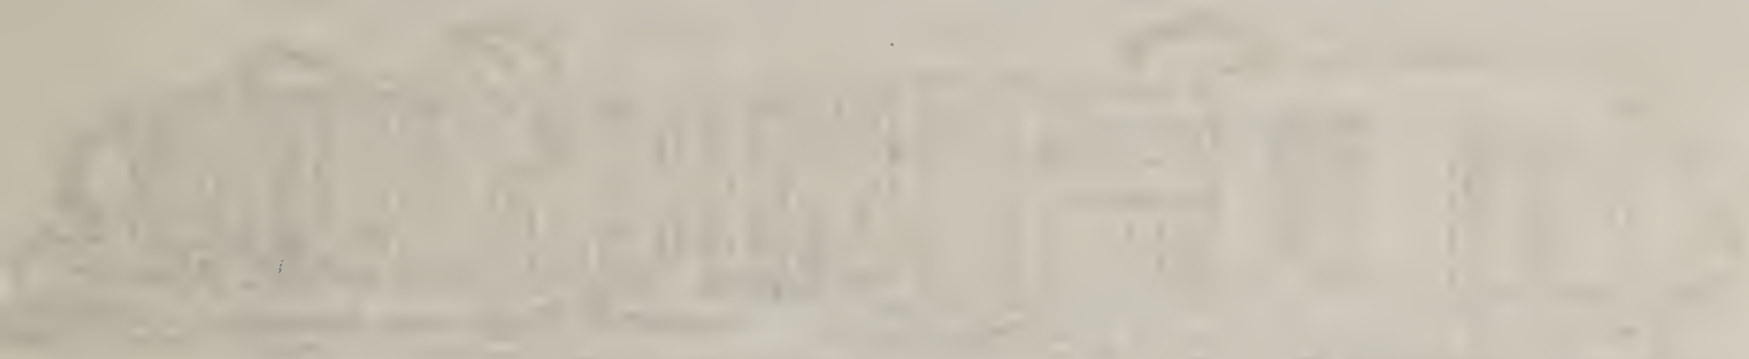
In 1909 several descendants of Daniel Winebrenner concluded to hold a Reunion of all descendants, for a general good time, and that all might get better acquainted.

Plans were perfected and the affair was held at the old home place south of Huntington, then owned by the son, George W. Winebrenner. The attendants was about fifty adults and thirty children. The day was spent enjoying an old-fashioned basket picnic, and much visiting, but no set program.

On that occasion it was decided to repeat the pleasant event each year, which has been done to this day without fail, those of later years taking place in Huntington, usually in Bier's Park, and in August.

Daniel Winebrenner was a peace-loving man, liked people very much, and was known far and wide as "Uncle Dan."

November 1942



Brief mention will be made here of groups contacted whose connection with our line is not yet determined, or in some cases known to be entirely apart.

PETER W. OF WEST VIRGINIA, was born in Maryland about 1791, served in the War of 1812, married in Virginia, moved to West Virginia and lived in Greenbrier County, Monroe County and Mason County. Had about ten children, who scattered about, several going to Missouri about Civil War time. Descendants are scattered widely, and a history of them is well started, though this group is unable to furnish any information back of PETER himself, thus the connection is yet undetermined.

KENTUCKY. In Louisville are Winebrenners, tracing their ancestry back to one HENRY WILKERSON WINEBRENNER, who they think was born in Ohio near Cincinnati in the early 1800's. He was the father of five children, all deceased. Quite a number of this group live in Louisville, and a fair start has been made on a history of this group.

TEXAS. In several parts of this state are Winebrenners of a group traced back to one WILLIAM HENRY (or JOHN HENRY) WINEBRENNER, born in Maryland, they believe, who moved to South Carolina and died there. Had but one child, William Henry, who moved to Texas. Had seven children whose descendants are scattered mostly in Texas. May be connected if possible to determine.

At Howard Payne College is a Prof. O.E. Winebrenner of Clarksburg, Missouri, a descendant of the West Virginia group.

KENTON, OHIO. In and about this city are Winebrenners who are descendants of three brothers, Martin, John and George, born in Germany and emigrated to America in 1852 going directly to Hardin County, Ohio, and became prosperous farmers and business men. There are about 90 in this group, and as their ancestors came to America 100 years after our line, there is no connection unless back in Germany, which is very possible. The writer wrote up a fairly complete History of this group a few years ago, but doubts if any further tracing reaching back to Germany in these times can be made.

YORK COUNTY, PENNSYLVANIA. In and about Hanover are Winebrenners of a group tracing their ancestry back to Johann Peter Winebrenner, born in Germany in 1738 and died in Hanover in 1789, aged 51 years. His descendants live about eastern Pennsylvania and in Maryland. We are unable as yet to determine what connection if any, this group has to our own, but it is believed they are so connected.

The writer would be glad to have further information on many of the above groups, and glad to get letters asking for information about them which we might have on file, awaiting enough to complete.
